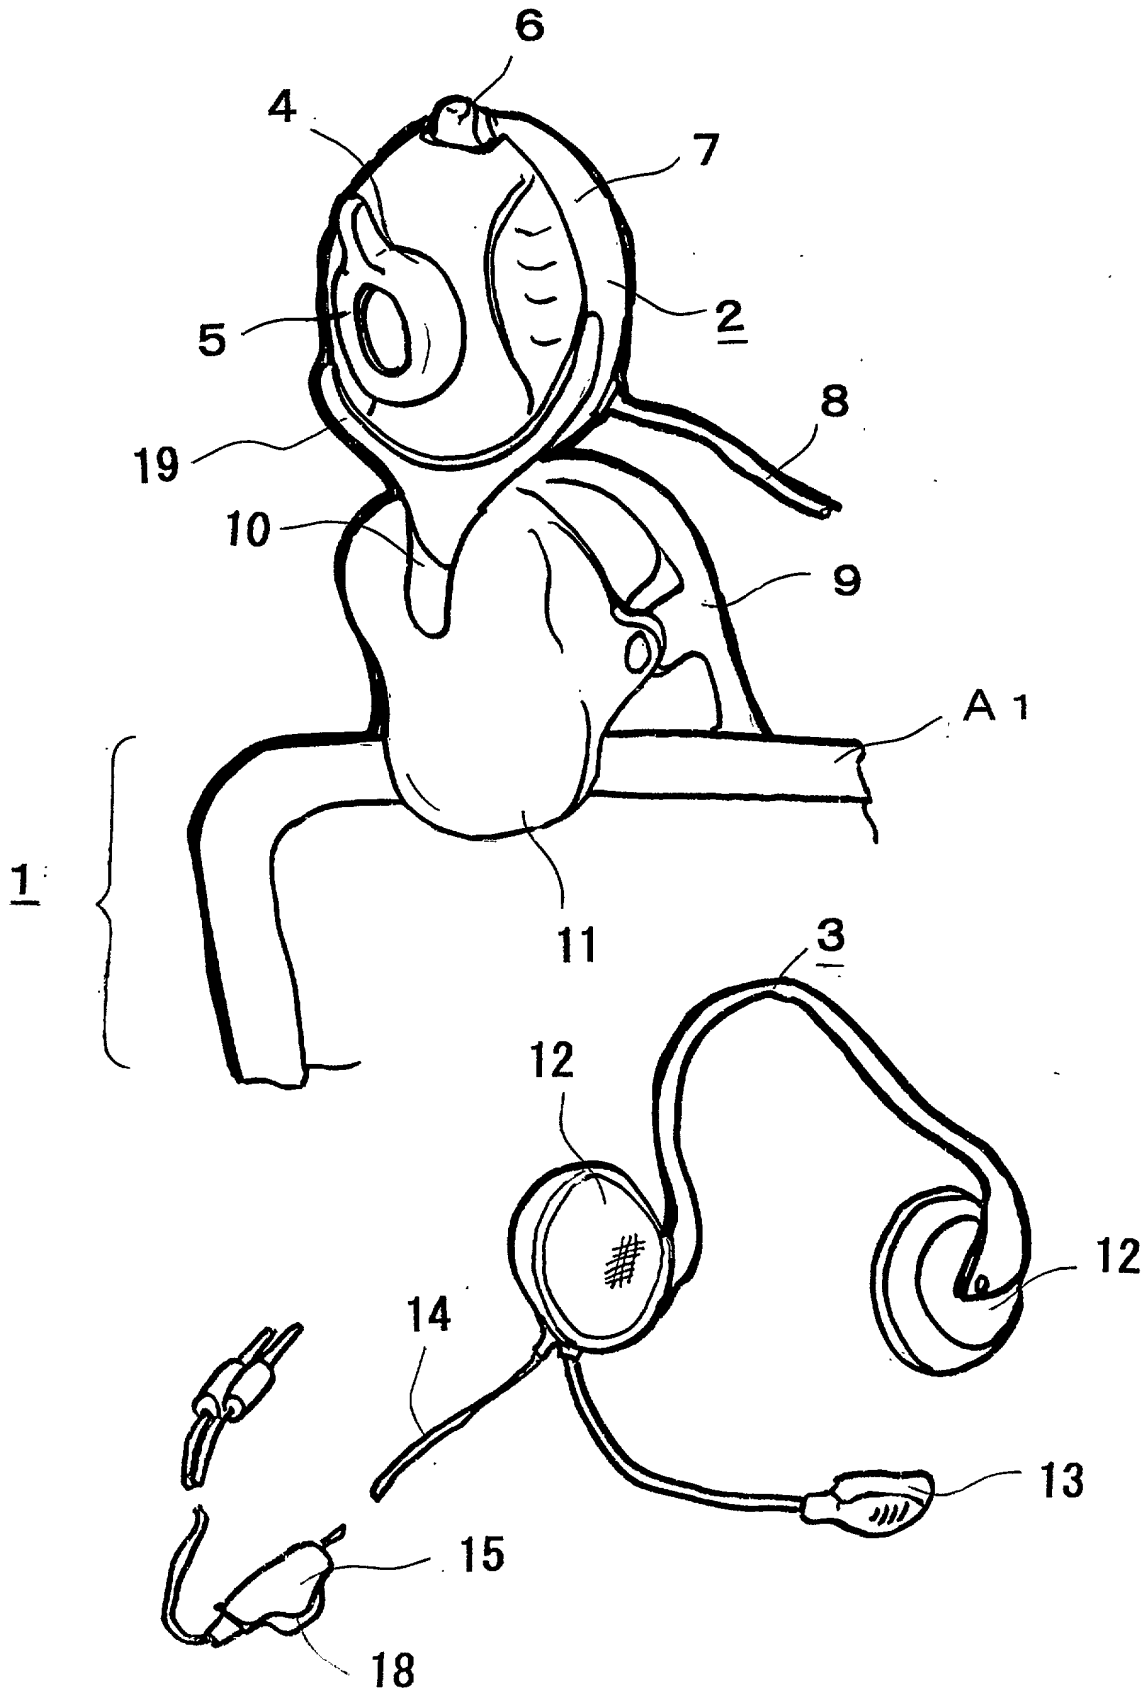

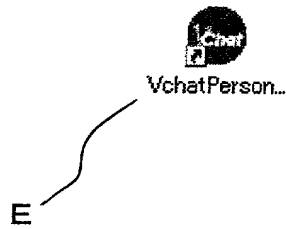

FIG. 2

【FIG 3】

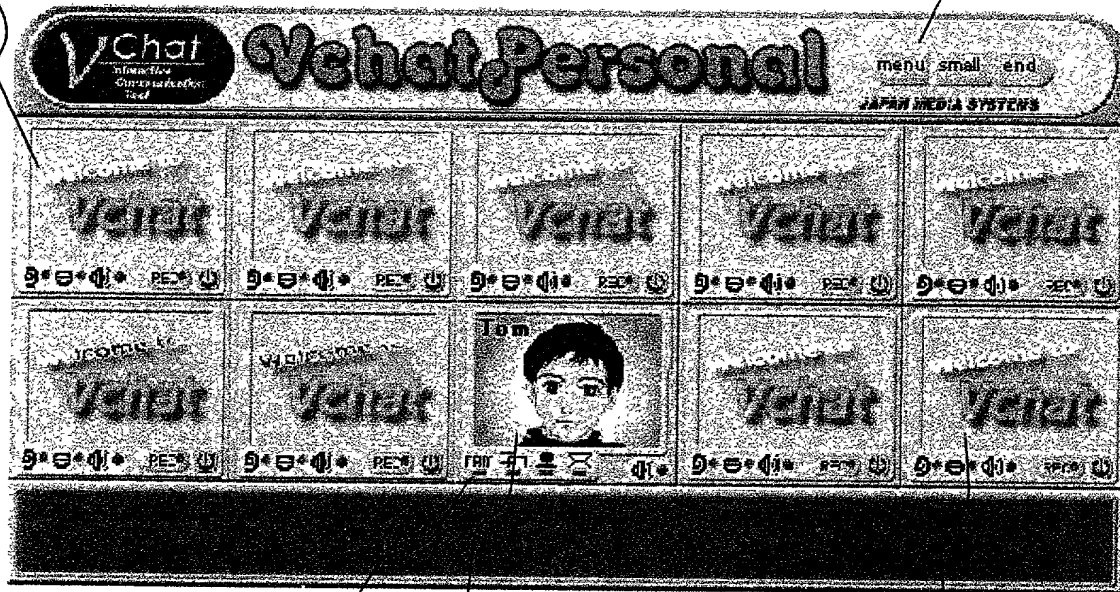

The figure shows a graphical user interface for adding new users. It consists of a main window with a title bar. Inside, there is a section titled 'new users'. Below this title, there is a text input field followed by an 'add' button. Further down, there are three labeled input fields: 'ID' containing '12345678', 'password' containing '\*\*\*\*\*', and 'name' containing 'Tom'. At the bottom of the form, there are two buttons: 'login' and 'end'. Various reference numerals are used to point to specific parts of the interface: 'F' points to the top-left corner, '20' points to the top-right corner, '21' points to the ID input field, '22' points to the password input field, '23' points to the name input field, and '24' points to the 'login' button.
